CONCEPT & INSPIRATION

La summer Collection 21 si ispira a tre Mood che insieme scandiscono la giornata della nostra donna. Ed è così che lo stile **URBAN** la rende strong nelle dinamiche giornate estive, il **DENIM BLU SKY** le da quel tocco di quiescenza con toni e sfumature da aperitivo al tramonto, questi due mood ci riportano ad una femminilità determinata e intraprendente. Mentre il **NEW LIFE** è spensieratezza e leggerezza, le stesse sensazioni che caratterizzano le domeniche estive di una donna quella immaginata dalla stilista Valentina Biancullo dalla raffinata femminilità.

The summer Collection 21 is inspired by three Moods that together mark the day of our woman. And this is how the URBAN style makes it strong on dynamic summer days, the BLU SKY DENIM gives it that touch of quiescence with tones and shades for an aperitif at sunset, these two moods bring us back to a determined and enterprising femininity.

While NEW LIFE is lightheartedness and lightness, the same sensations that characterize a woman's summer Sundays are imagined by the stylist Valentina Biancullo with refined femininity.
